

RBA

Conceptual Framework

MS TCDC
act:onaid denmark

workgroup exercise

- Identify a rights issue in your community / society (specify which right from gender perspective is being violated or denied?)
- As a group agree on one issue (related to gender) and refer to it while navigating the RBA conceptual framework

Exercise cont'd

- Identify some of the international, regional and national rights instruments regarding the right being discussed
- Establish who the duty-bearers and right-holders are
- Identify some of the guardians of the right being discussed

Exercise cont'd

- Examine the obligations on the part of the duty bearers in relation to the right being discussed
- Identify who the human rights defenders are in relation to the right being discussed
- Outline the capability of right-holders to access and claim the right in question

Exercise cont'd

- Outline the capability of duty-bearers to comply in fulfilling the right in question

– Thank you
