# ACADEMIC PROGRAMMES

2014-2015

### The core purpose of our academic programs

will be to groom a cadre of professionals and change agents in Africa who will engage pro actively and constructively in promoting the respect for human rights, rule of law and a democratic culture.

Our academic courses are embedded with demonstrations, simulations, ideological inclinations and alternative approaches to equitable and sustainable development.

Enroll now for these courses and gain the tools and strategies that will inspire you to effectively make a difference in your environment.

### Programme offered:

Diploma in Governance & Development  
BA in Development Studies
